Leader in Training (LIT) Program:

The Leader in Training (LIT) Program is an exciting option for teenagers interested in working as camp counselors in the years ahead. The LITs will learn leadership skills that are inherently valuable when working with children. Please inquire if you are interested.

Timeliness, Safe Pick Up & Attendance

We ask parents to arrive at 9:15 AM for Tennis Camp & Imagine Camp. Pick up is at 3:30 PM for Tennis Camp and 1:00 PM for Imagine Camp. If an Imagine Camper stays for the Tennis Camp program then pick up will be at 3:30 PM. The following guidelines will be helpful to those of you who may need different accommodations.

Early Arrival/Late Pick up

Campers may be dropped off beginning at 7:30 AM each morning. Campers may be picked up after camp hours until 5:00pm.

Guidelines

Campers must stay in the lobby quietly and may only leave the lobby to go to the bathroom, with the permission of the front desk attendant. We suggest they bring books or games during this time.

Early Pick Up

If your child needs to be picked up early, please let the front desk know ahead of time so that your child will be ready when you arrive. You will be asked to sign your child out.

*Please note: If someone other than the child's parent or guardian is to pick up a child at the end of the day, a signed note must be on file at Made To Move Tennis & Wellness. If the person picking up your child is unfamiliar to the Made to Move Team, a description must accompany the signed note and the person should be prepared to show identification. For the safety of your child, please keep the Director of Camps, Kevin Kim and Nick Darrow and the front desk informed of any change in the normal routine.

Attendance

If you know ahead of time that your child will be absent, please inform the front desk.

Family Benefits

Free Walk on Time (*use of tennis courts*)

These privileges apply to the length of time your child is enrolled in camp. All privileges are subject to club rules.

Family Privileges

Free membership to the Fitness Facility is available for parents during the time of their child's enrollment. Parents must sign all membership information to use the Fitness Facility.

General Information

What to Wear

We suggest that campers arrive wearing a t-shirt, shorts, socks and sneakers. Tennis or cross-trainer shoes only. Wearing sandals, crocs, slip on shoes, etc. will exclude your child from many activities and a call will be made to request a parent bring in appropriate foot wear. Remember: camp is fun and sometimes a bit messy. Please send your child to camp with an extra change of clothes. On especially sunny days a hat with a visor is recommended. All campers should arrive already covered with sunblock.

Friday Pizza Day

Each Friday, campers will enjoy a complimentary pizza lunch. Please be sure to still provide a drink for your child on Fridays. Campers may bring their own lunch on Friday if they do not wish to participate in the pizza lunch.

What Your Child Needs to Bring to Camp

All campers need to bring the following to camp each day (All items should be clearly labeled):

Lunch (with a cold pack)

Extra set of clothes

Towel

Sun block (also – arrive already covered), hat or visor

Plastic bag for wet clothes

Water bottle (We suggest a minimum of 32 oz.)

Tennis/cross-trainer sneakers

What Not to Bring to Camp

All electronics (including cell phones, ipods, cameras, tablets, gaming systems, etc), any potentially dangerous items (firecrackers, knives, toy guns, slingshots, etc), toys, playing cards, or anything valuable. Inappropriate items will be taken from the campers and kept in the front office until the end of the camp day and only released to a parent/guardian. Bringing any of the above items does not encourage an environment that promotes social interaction and the development of relationships with fellow campers.

Health Form and Application:

Each child is required to have a medical check-up within 12 months prior to attending camp. Both sides of the health form and application must be completed and returned before their attendance in camp.

Balances

As agreed upon there will be an automatic payment of your remaining balance on June 1st.

Special Needs

Please advise us of any special needs that your child may have, including dietary needs. All information is kept confidential.

Most Frequently Asked Questions About Our Camp & Programs

Can my child be in the same group as his/her friend?

Yes, as long as this is clearly indicated on the registration form at the time of enrollment and the children are of the same ages. If skill levels are not compatible we may separate students for tennis instruction and then bring them together for team building and group activities.

What if my child needs to take medication during the day?

This is not a problem as long as the proper paperwork and medications are with the director.

If my child is out sick, can he/she make up the missed days?

Yes, we guarantee make-up days. If your child will be out with an extended illness like the chicken pox, please notify the Director of Camp as soon as possible.

Can my child celebrate his/her birthday at camp?

Yes! If you would like to bring birthday food/favors for the entire camp group, great! Please let the camp director know in advance so that we can be prepared and check the group for food allergies.

What if I am running late and need to have my child stay after camp?

Just call the front desk, and we will inform your child. Your child must wait in the lobby. Under these circumstances, the front desk attendant will keep a watchful eye on your child. If more supervision is necessary, we will place them in our daycare service.

What if my child is going home with another camper?

Terrific! But we must have a dated note on file at Made to Move Tennis & Wellness.

What if I need to pick up my child early?

Don't worry. Call the front desk to let us know or send in a note that day.
